SUMMARY

As an Assistant Professor since 2010, I have the experience of convincing ug and pg students. Students are continuously getting benefits from my studies and are also going into different types of jobs.

CAREER OBJECTIVE

To work in high-grown organization with a competitive and challenging environment that creates an ideal condition for delivering high quality services.

SKILLS

To improve students habits and behaviour

Some of the most important teaching skills include communication, critical thinking, and patience. A love of learning is huge for a teacher. Our own love of learning will create a positive atmosphere that can inspire our students.
